

Managing Users in FRUM

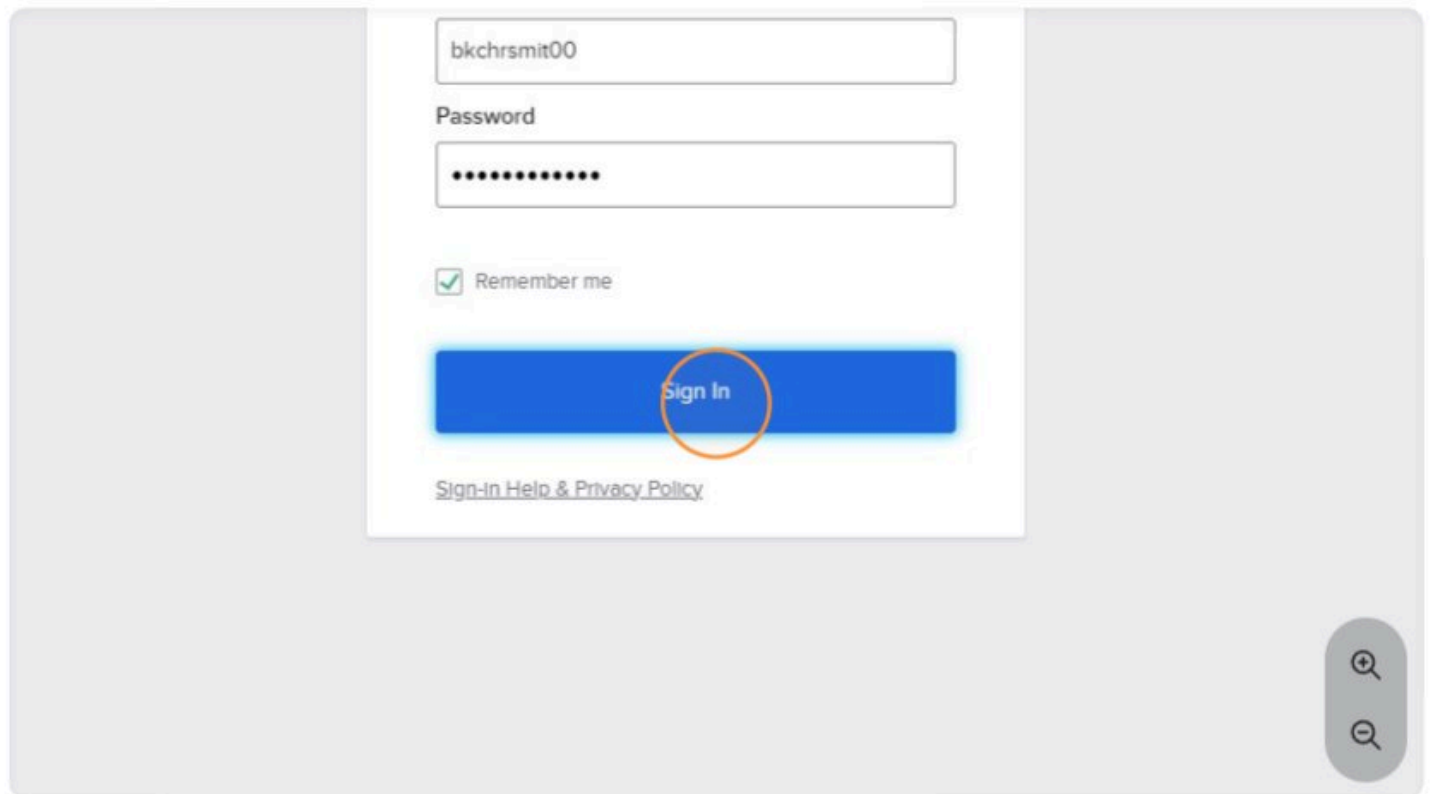

This guide provides step-by-step instructions for managing users in FRUM. It includes information on adding employees/managers, changing roles, resetting passwords, and transferring employees/managers. If you need to navigate FRUM and perform these tasks, this guide will help you do so efficiently.

1

Navigate to <https://rbi.okta.com/login/login.htm> 

2

Click this button.

The image shows a login interface on a light gray background. In the center is a white rectangular form. At the top of the form is a text input field containing the username "bkchrsmi00". Below this is a label "Password" followed by a password input field filled with ten black dots. Under the password field is a checkbox that is checked, with the text "Remember me" to its right. Below the checkbox is a prominent blue rectangular button with the white text "Sign In". An orange circle is drawn around the "Sign In" button. At the bottom of the white form, there is a link that reads "Sign-In Help & Privacy Policy". In the bottom right corner of the gray background, there is a vertical gray bar containing two magnifying glass icons.
