

P&L Guide in Intacct (DMs Only)

This guide provides step-by-step instructions on how to navigate Intacct and view the Profit and Loss (P&L) statement. It also explains how to review for incorrect charges, access drill-down capabilities, search for invoices, and favorite menu options. Additionally, it provides guidance on fixing authorization issues and viewing invoice images. This guide is essential for individuals using Intacct to effectively manage and analyze financial data.

27

Click "General Ledger"

28

Click "General Ledger"

The screenshot displays the Intacct software interface. On the left, a sidebar contains the text "Budgets repository". A dropdown menu is open, listing various financial reporting options. The "General Ledger" option is highlighted with a blue background and a star icon on the right. An orange circle is drawn around the "General Ledger" text. Other items in the menu include "Memorized reports", "My stored reports", "Account balances", "Account groups hierarchy", "Activity reports", "Budget", "Chart of accounts", "Dimension balances", "Trial balance", and "Trial balance, comparative".

Below the menu, the footer area contains several links and a list of resources:

- [user help](#)
- [emand Fundamentals training](#)
- [2 library](#)
- [Community](#)
 - [User enrichment workshops](#)
 - [Customer meetups](#)
 - [Join Sage Champions](#)

On the right side of the footer, there is a section titled "Member Mastercl" with a list of links:

- [Season 4: Thriving in](#)
- [Season 3: F](#)
- [Season 2:](#)

At the bottom right, there is a search icon and a magnifying glass icon.

Click "Bill, invoice, or adjustment number" under "Select doc column value"

The screenshot shows a settings panel with a light green background. On the left, there is a vertical sidebar with a green 'edit' button at the top and a dropdown arrow at the bottom. The main area contains two sections of settings. The first section, 'Show transaction presentation', has two radio buttons: 'Summary' (unselected) and 'Details' (selected). The second section, 'Select doc column value', has two radio buttons: 'Reference number' (unselected) and 'Bill, invoice, or adjustment number' (selected, highlighted with an orange circle). Below these are two checkboxes: 'Show net change' and 'Include account on each line for CSV export', both of which are unselected. To the right of these checkboxes is another checkbox labeled 'Show transaction number', which is also unselected. In the bottom right corner, there is a grey rounded rectangle containing two magnifying glass icons.
