

Access Email in Outlook

This guide provides a comprehensive overview of how to access your email using both Outlook.com and the Outlook desktop and mobile apps. It streamlines the login process with step-by-step instructions tailored for different devices and situations, making it easy for users of all skill levels to connect to their accounts securely. Whether you're a new user or just need a refresher, this guide ensures a smooth email access experience. View it to enhance your productivity and manage your communications effectively.

1 Navigate to <https://outlook.office.com>

2

Click the "Email, phone, or Skype" field.

3

Click "Next"

The image shows a Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed. A text input field contains the email address "csmith@amplergroup.com". Below the input field are two links: "No account? Create one!" and "Can't access your account?". At the bottom of the sign-in box are two buttons: a grey "Back" button and a blue "Next" button. The "Next" button is circled in orange. Below the sign-in box is a section titled "Sign-in options" with a magnifying glass icon.

12

Click Settings icon

13

Click "Sign in with a different account"

14

Click "Use another account"

15

Put in email address.

Click "Next"

16

Put in password.

Click "Sign In"

The screenshot shows a login interface for 'AMPLER' on a dark green background. A white login card is centered, featuring the 'AMPLER' logo in green. Below the logo, the email '← csmith@amplergroup.com' is displayed. The main heading is 'Enter password', followed by a password input field with masked characters. A link for 'Forgot my password' is positioned below the field. The 'Sign in' button is highlighted with an orange circle. At the bottom of the card, it says 'Welcome to Ampler Group'. In the bottom right corner of the screen, there is a vertical toolbar with two magnifying glass icons.
