

Submitting/Managing Tickets in OwlOps

This guide provides step-by-step instructions on how to submit, check status, respond to, and close tickets in OwlOps. It emphasizes the importance of being detailed in ticket descriptions and assigning tasks to the appropriate individuals. It also explains how to attach pictures and add notes to tickets. Following this guide will ensure effective communication and resolution of issues through the ticketing system.

4

Click the option under the drop down menu that you are needing to submit a ticket for.

The screenshot displays the OwlOps dashboard interface. At the top, the navigation bar includes the OwlOps logo and links for Dashboards, Tasks, Assets, Admin, Setup, Resource, and Logoff. Below the navigation bar, a search bar contains the text "Ashland BK2726". A dropdown menu is open under the "Equipment" tab, listing various items: Broiler, Coffee Brewer, Coke Machine, Fry Dump, Fry Freezer, Fryer, Heat Chute, Ice Machine, Meat Well, Microwave / Hopper, Oven, PHU's, and Reach-In Cooler. The "Broiler" option is highlighted with a red circle. On the left side, a "My Dept Tasks" section shows a task for "Kenova BK04567 (Facilities - Plumbing) (#2516867)" with details about assignment and creation. On the right side, a "My Task List" section shows "No records to display."

The screenshot displays a task management application interface. At the top, there are five navigation buttons: 'POS' (yellow), 'IT' (dark blue), 'Checklist' (dark blue), 'OPS Support' (green), 'Tasks' (blue), and 'Assets' (blue). Below these buttons, there are two tabs: 'No Filter' and 'My Task List'. The 'My Task List' tab is active, showing a list of tasks. The first task is highlighted in orange and has a 'View' button circled in orange. The task details include: 'Equipment - 348', 'Low' status, 'Open' status, and a description: 'They could smell burning wires coming from toaster and then it cut off'. The second task is partially visible below the first one, showing 'Equipment - 342' and 'damaged'. On the right side of the interface, there is a 'Task' section with the text 'No records to display.' and a search icon.

The screenshot displays a software interface for managing notes. At the top, there is a header bar with three segments: a blue segment with a plus icon and the text '+ Notes', an orange segment with the text 'Other' and a downward arrow, and a red segment with the text 'Close'. Below the header, there is a 'Notes' section with a text input field. Underneath the input field is a blue button with a camera icon and the text 'Pic / Doc'. Below that is a green button with the text 'Save' and a red button with the text 'Cancel'. The 'Save' button is circled in orange. Below the buttons are four tabs: 'Follow Up', 'Tagged', 'Parts/Inv', and 'Invoices'. At the bottom of the interface, there is a white area with a list of items: 'Blake McBrayer', '.ow', 'i -> Open', 's -> Operational', and 'rual:'. To the right of this list, the name 'Austin Kennedy' is displayed. In the bottom right corner, there is a vertical grey bar with two magnifying glass icons.

Click "View"

The screenshot shows a task management interface. At the top, there are four buttons: "POS" (yellow), "IT" (dark blue), "Checklist" (dark blue), and "OPS Support" (green). Below these are two buttons: "Tasks" (blue) and "Assets" (blue). The main area is divided into two columns. The left column has a filter dropdown set to "No Filter" and a list of tasks. The right column has a dropdown set to "My Task List" and shows "No records to display." The first task in the list is highlighted with an orange background. It is titled "d (Equipment - 348)" and has status tags "Fix", "Low", and "Open". The description is "out they could smell burning wires coming from toaster and then it cut off Kennedy | 2:07 PM McBrayer Austin Kennedy | 2:07 PM". A "View" button with a dropdown arrow is circled in orange. The second task is partially visible below it, titled "d (Equipment - 342)" with status tags "Fix", "Low", and "Open", and description "damaged sing meat to catch and tear in the broiler as it is discharged". A "View" button is also present for the second task. On the right side of the interface, there is a vertical toolbar with two magnifying glass icons.
