

Assigning/Unassigning/Naming Equipment in RAM (DMs Only)

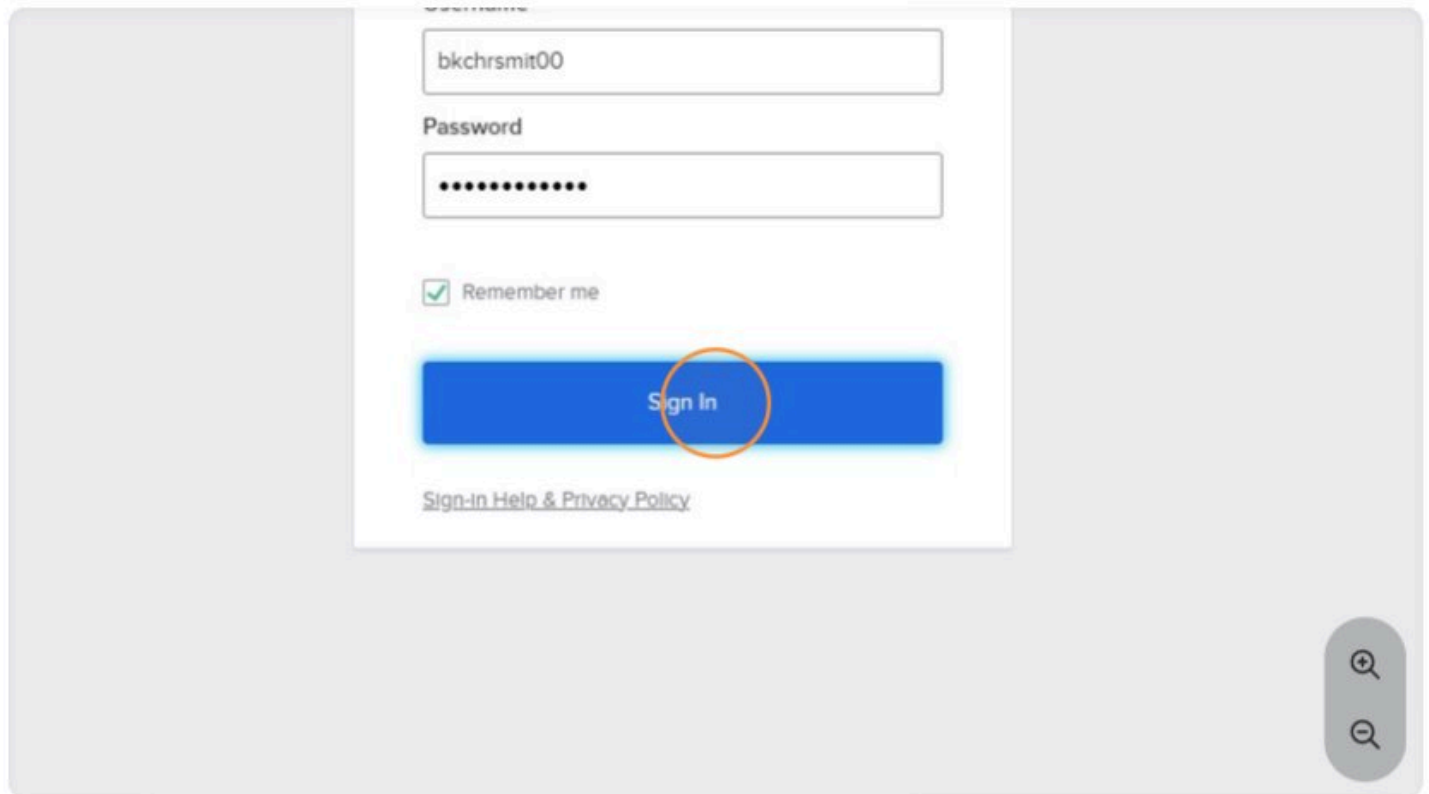

This guide provides step-by-step instructions on how to assign, unassign, and name equipment in RAM, a platform used for managing equipment in Zenput. It explains how to navigate to the RAM platform, use filters to find and assign/unassign equipment, and how to name equipment. This guide is useful for restaurant managers who want to ensure that their equipment is properly assigned and named in Zenput for accurate tracking and management.

1

Navigate to <https://rbi.okta.com/login/login.htm> 

2

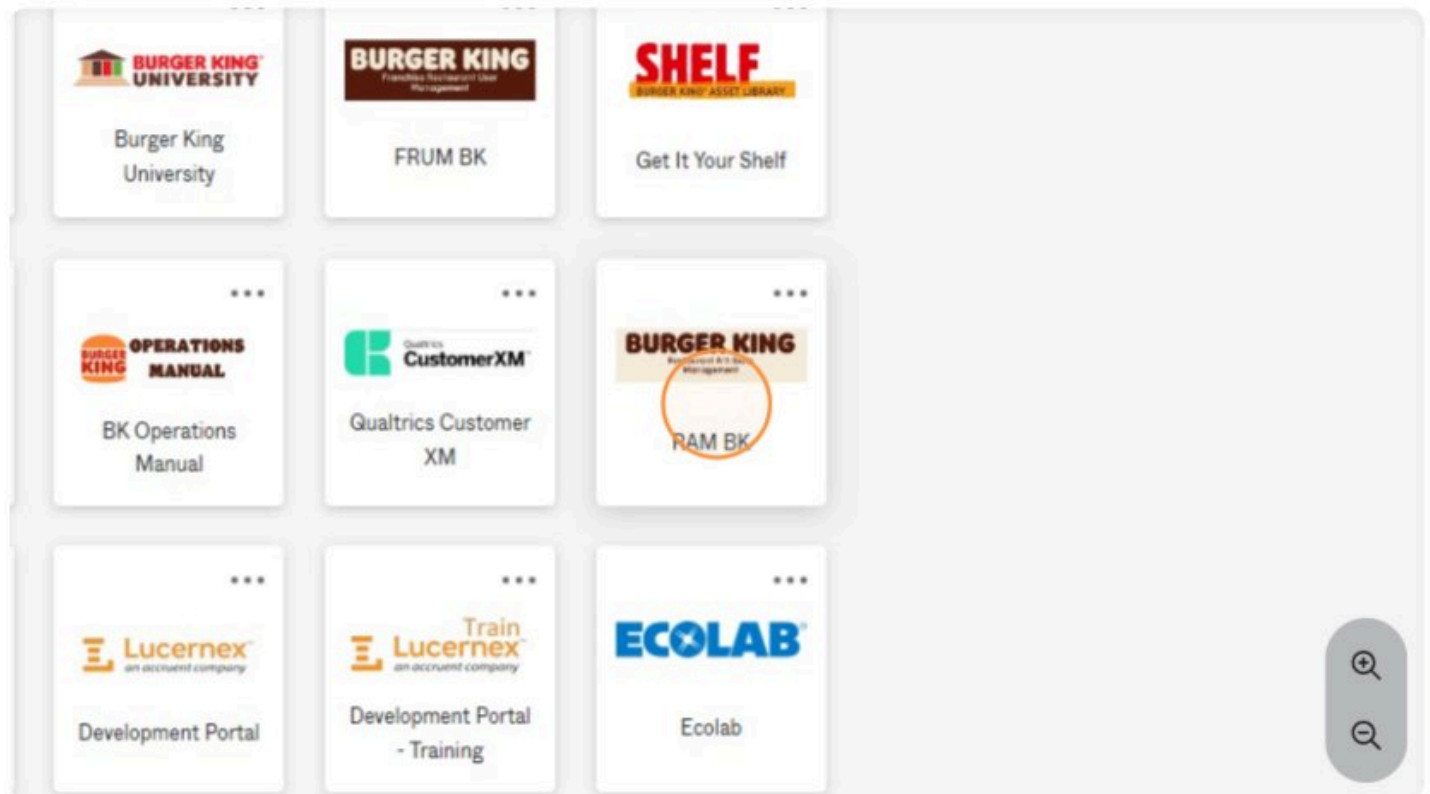

Click this button.

A screenshot of a login interface. At the top, there is a text input field containing the username "bkchrsmi00". Below it is a label "Password" followed by a password input field filled with dots. Under the password field is a checkbox with a green checkmark and the text "Remember me". Below this is a large blue button with the text "Sign In" in white. An orange circle is drawn around the "Sign In" button. At the bottom of the form, there is a link that says "Sign-in Help & Privacy Policy". The entire form is centered on a light gray background. In the bottom right corner of the gray area, there is a vertical stack of two circular icons: the top one has a magnifying glass and a plus sign, and the bottom one has a magnifying glass.

22

Click the "Category" field.

Click the "Manufacturer" field.

Click the "Model" field.

When 3 fields are filled out, the 4th automatically will.

Click "Search"

The screenshot shows a web application interface for assigning equipment to a restaurant. A modal window titled "Assign Equipment to Restaurant" is open. It contains two search fields: "Category" and "Manufacturer". The "Category" field is highlighted with an orange circle, and a dropdown menu is visible below it, listing the following options: Broilers, Dishwashers, Egg Cooker, Freezer, Fryers, and Holding Equipment. The "Manufacturer" field is also visible with a search icon. In the background, a table is partially visible with columns for equipment details. At the bottom of the modal, there are navigation arrows and a page indicator "1 / 4".

23

Click "Add More"

The screenshot shows a modal window with a close button (X) in the top right corner. Inside the modal, there are two dropdown menus: "Model" with the value "8004405" and "Description" with the value "Freezer 50" De...". Below these is a "Search" button. A horizontal bar contains the text "Add More +" which is circled in orange. At the bottom of the modal are "Cancel" and "Save" buttons. The background is a dark grey interface with a search icon in the bottom right corner.

24

Use the "Alternative Name" field to name the equipment.

The screenshot shows a form with the following fields:

- Manufacturer:** A text input field containing "Franke" with a search icon.
- Model:** A dropdown menu showing "18004405" with a downward arrow.
- Alternative Name *:** A text input field, highlighted with an orange circle.
- Purchase Date:** A text input field.

Below the form, there is a dark grey footer area containing the text "Radiant Toaster" and "Fry Freezer w/ Fry". On the right side of the footer, there are two circular icons: a magnifying glass and a search icon.

26

Click "Save"

The screenshot shows a web application interface. At the top, there is a light gray bar with the text "Add More +" and a plus icon. Below this is a form with a label "Purchase Date" and a text input field. At the bottom of the form are two buttons: "Cancel" and "Save". The "Save" button is circled in orange. Below the form is a table with several rows, each containing a pencil icon for editing. At the bottom of the table, there is a pagination bar that says "Rows per Page 20" with a dropdown arrow, followed by "1-18 of 18" and navigation arrows. On the right side of the screen, there is a large dark gray area with a search icon in the bottom right corner.
