- Location is private to Proctor and Examinee's only during Exam administration.
- Online Exam Only: A computer with Internet access, mouse and keyboard is available for each examinee. Not required for providing printed pass/fail information upon exam completion.

I understand if my location does not meet any of these standards that I should not administer the exam at this location. I will provide documentation of the exam location (i.e. digital photograph) before or after exam administration. I understand that initial requests approved) if I'm unable to provide documentation. I understand the Association conducts announced exam administrations. Any allegation or violation of any guidelines in the Exam Administration Handbook can lead to revocation of Instructor/Proctor status or Examinee results/certification.
