

## Drawers/Deposits in RTI/XBO

This guide provides a step-by-step process for managing cash deposits and safe counts in the XBO system, ensuring accurate financial tracking. By following these instructions, users can efficiently navigate the platform, streamline their cash management tasks, and minimize errors. It's an essential resource for anyone looking to enhance their operational efficiency and maintain financial integrity within their organization.

6

Click "Count"

Input Safe Counts.

The screenshot shows a software interface with a modal form titled "Add Safe Count". The form contains the following fields and elements:

- Store:** A dropdown menu showing "9785 - 809785 - Mt Sterling".
- Business Date:** A date field showing "01/06/2026" with a calendar icon.
- Counted Amount:** A text field showing "\$0.00".
- Safe Base Amount:** A text field showing "\$800.00".
- Count Button:** A button labeled "Count" is circled in green.
- Short Balance:** A red bar indicating a "Short Balance by: -\$800.00".
- Counted By:** A text field for the user's name.
- Comments:** A text area for additional notes.
- Buttons:** "Cancel" and "Save" buttons at the bottom.

The background shows a table with columns: Store #, Store Name, Business Date, Safe Amount, and Counted By. The first row is visible: 9785, 809785 - Mt Sterling.

7

Click "Save"

The screenshot displays a software interface with a modal dialog box in the center. The dialog box contains the following elements:

- Counted Amount:** A field showing "\$0.00" with a lock icon and a "Count" button.
- Safe Base Amount:** A field showing "\$800.00" with a lock icon.
- Short Balance:** A red highlighted section showing a downward arrow and the text "Short Balance by: -\$800.00".
- Counted By:** An empty text input field.
- Comments:** A larger empty text area.
- Buttons:** "Cancel" and "Save" buttons at the bottom. The "Save" button is highlighted with a green circle.

In the background, a greyed-out interface is visible, including a date "06/2026" with a calendar icon, a "Search" button, and a message that says "Please change the search criteria and try again.".

8

Click "Import Tills"

The screenshot displays the 'genius Back Office' interface. On the left sidebar, under the 'CASH (2/6)' section, the 'Import Tills' option is highlighted with a green circle. Other options in the sidebar include 'Safe Counts', 'Close Tills', 'Deposits', and 'Reports' (with sub-options 'Last Week' and 'This Week'). At the bottom of the sidebar are 'Start Over' and 'Close Task List' buttons. The main content area is divided into two panels. The left panel, titled 'Stores / Dates', shows '1 row(s) shown / 1 selected' and contains a table with one row: Store # 9785, Store Name 809785 - Mt Sterling. The right panel, titled 'Safe Counts', shows '0 row(s) shown' and is currently empty. Both panels have search bars at the top. A vertical toolbar on the far right contains two magnifying glass icons.
