

Managing Count Sheets in RTI/XBO

This guide provides step-by-step instructions on how to manage count sheets in RTI/XBO, a restaurant management system. It covers how to add/remove items from weekly and daily counts, and sort forms. If you need to effectively manage count sheets in RTI/XBO, this guide is a valuable resource.

1

Click "List Order"

A screenshot of a web form interface. The form consists of several horizontal sections. The top section has a dropdown menu with a blue checkmark icon. Below this is a large empty rectangular area. In the center of this area, there is a light gray button labeled "List Order", which is circled in orange. To the right of the "List Order" button, there is a vertical stack of three buttons: a plus icon, a magnifying glass icon, and a minus icon. The bottom section of the form is a light gray bar.

13

Click the "Locations" field to switch between sections of the sheet.
