

Altering Submissions in Zenput

This guide provides step-by-step instructions on how to alter submissions in Zenput. It highlights the importance of having the necessary permissions from the Form Admin and walks the user through the process of accessing the form, selecting the submission, making adjustments, and saving the changes. Following this guide will help users effectively manage and update their submissions in Zenput.

1

Navigate to <https://rbi.okta.com/login/login.htm> 

2

Click this button.
