

Audit Forms in Zenput (Phone Guide)

This guide provides step-by-step instructions on how to audit forms in Zenput. It includes information on logging in, accessing the forms, completing them, and submitting them. Anyone who needs to perform audits using Zenput can benefit from this guide.

1

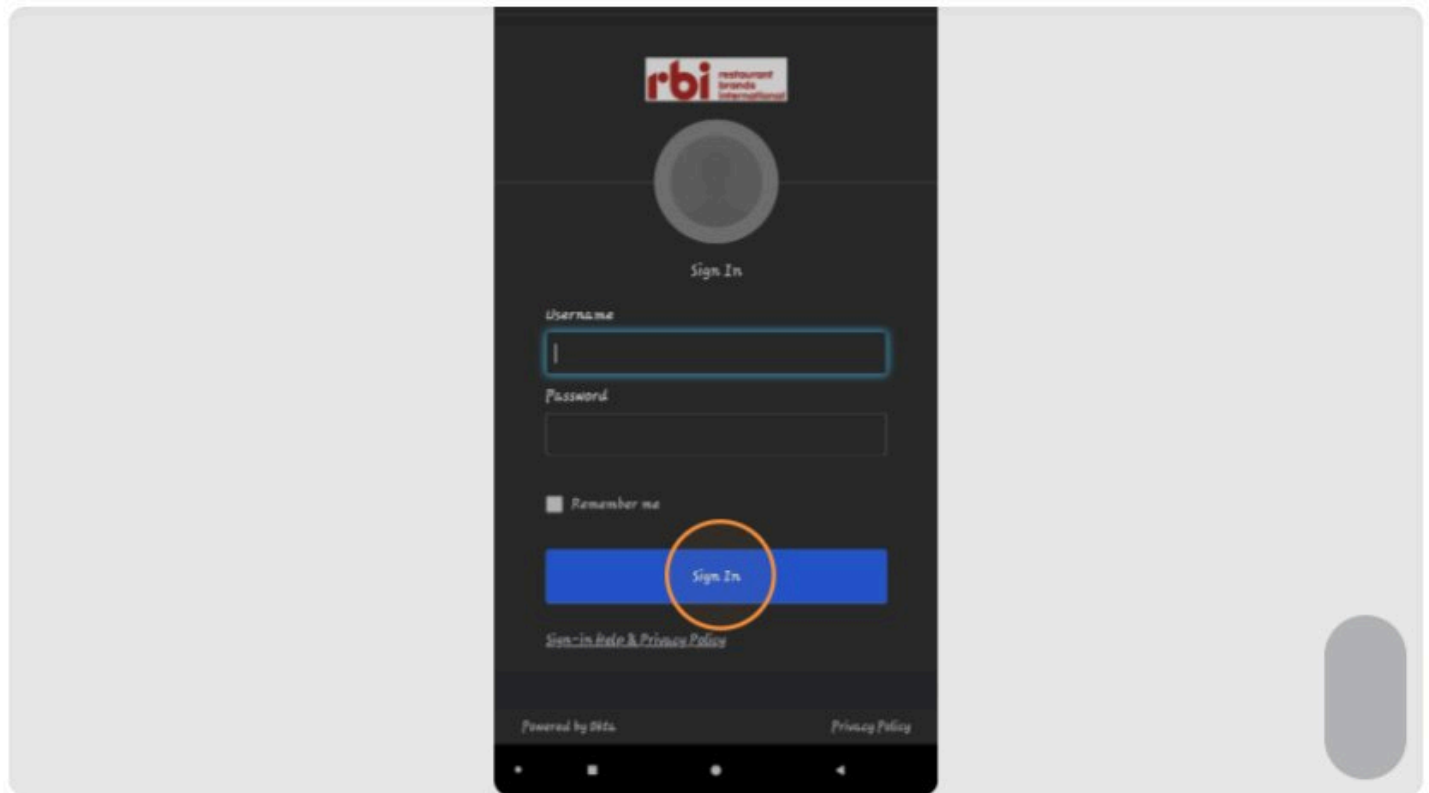

Login to Zenput.

2

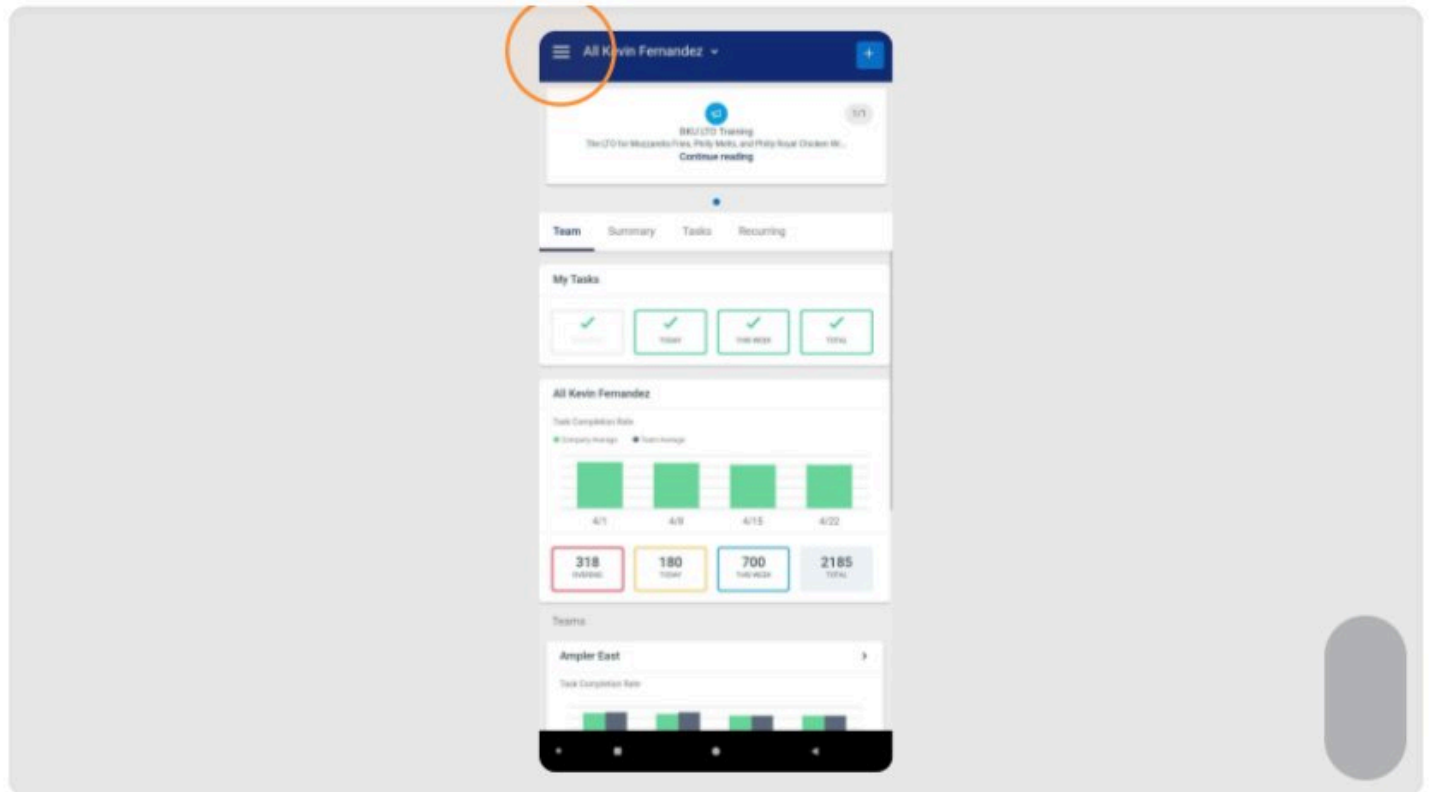

It will take you to the RBI login page.

Login using your RBI (BKU) account.

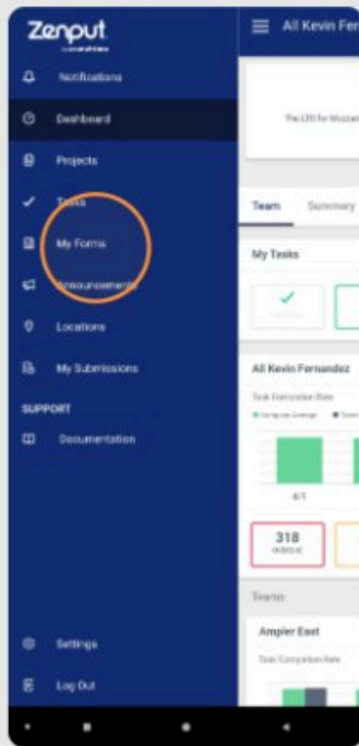

3

Click the three bars to open the menu.

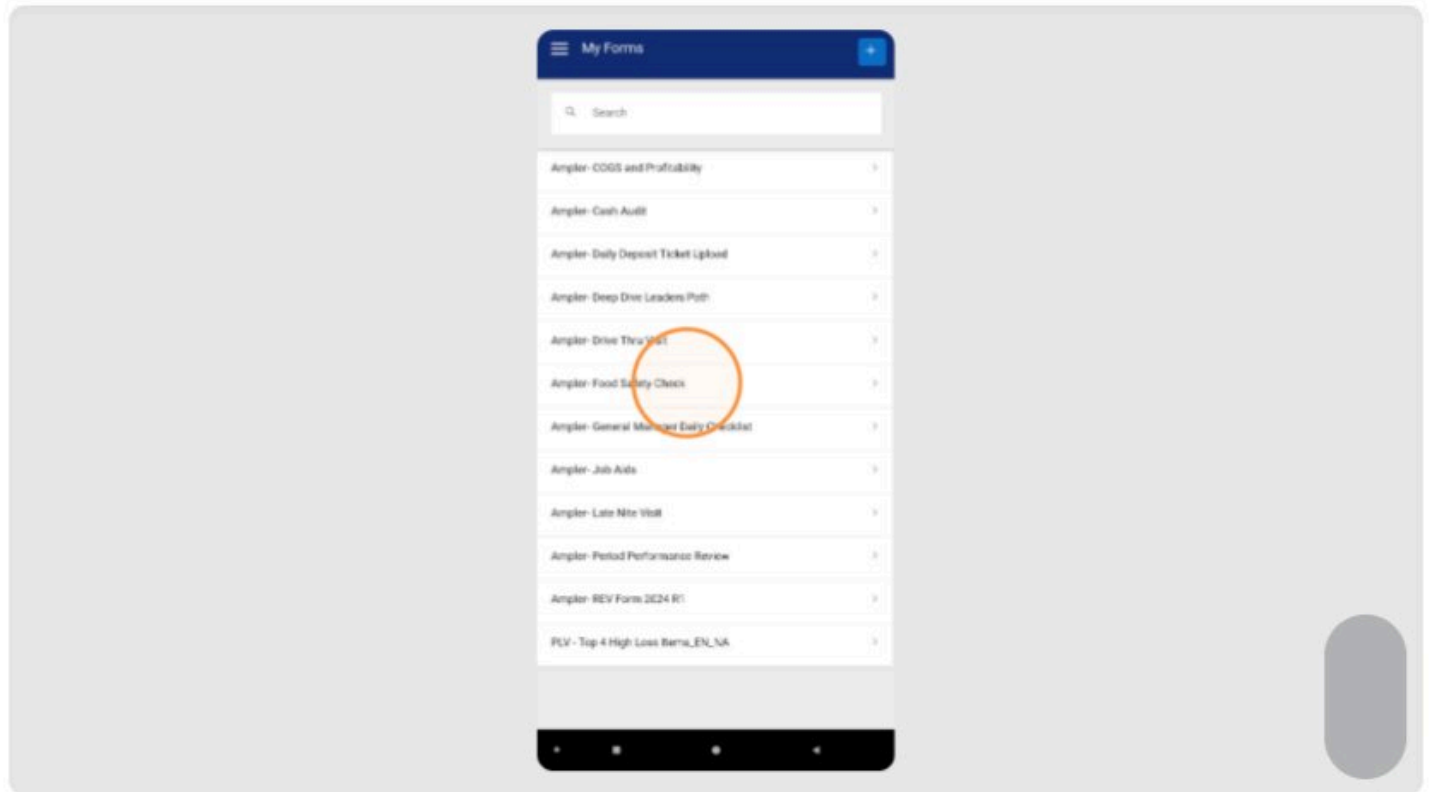

4

Select "My Forms"

5

Click whichever audit you would like to complete.

6

Fill out all information requested throughout the form.

The screenshot shows a mobile application interface for a 'Food Safety Check'. The title bar at the top is dark blue with a back arrow, the text 'Amplifier - Food Safety Check', and a plus icon. Below the title bar is a status bar showing the time '10:30'. The form itself is white and contains the following sections:

- Location:** A label followed by a dropdown menu with the text 'Select a location'.
- Manager-in-Charge:** A label followed by a text input field containing the word 'Test'.
- Instructions:** A paragraph of text: 'Mark "Yes" if meets standard. Mark "No" if does not meet standard. When "No" is selected, a Photo action will populate. Please attach your findings here.'
- Section Header:** 'FS11 - Personal Hygiene Practices meet standard' followed by a right-pointing chevron.
- Question 1:** 'Hands are washed when required' followed by a red asterisk. Below it are two buttons: 'Yes' and 'No'.
- Question 2:** 'Handwashing procedures observed properly' followed by a red asterisk. Below it are two buttons: 'Yes' and 'No'.
- Text:** 'Paper towel, soap, and hand sanitizer dispensers are stocked, easily accessed, and functional.'

At the bottom of the screen, there is a black navigation bar with four white icons: a plus, a square, a circle, and a left-pointing chevron.

7

Once finished, click "Submit"

The screenshot displays the 'Amplifier Food Safety Check' app interface. At the top, there is a blue header bar with a back arrow, the title 'Amplifier Food Safety Check', and a plus icon. Below the header, a status bar indicates 'FS02 - Food Safety systems are in Place and Implemented App...'. A red bar with white text shows '2 Required Remaining'. The main content area includes a section titled 'Overall Findings' with a dropdown arrow, followed by a text input field for '# of Food Safety Findings'. Below this is another text input field for 'Additional comments:'. The 'Additional photos:' section contains an 'Add image' button with a camera icon and a text input field for 'Note or caption:'. At the bottom, a blue bar with a white 'Submit' button is circled in orange. The app is running on an Android device, as indicated by the navigation bar at the very bottom.

8

Once submitted, it will be sent in email to everyone on the assigned distribution list (restaurant, DM, DO, etc.)
