

Ringling in/Editing/Tendering Order

This guide provides a comprehensive overview of the order ringing, editing, and tendering process, making it essential for anyone working in a fast-paced food service environment. It details each step clearly, from starting an order to completing transactions, ensuring that employees can efficiently manage customer orders and payments. By following this guide, staff can enhance their operational skills, improve customer service, and streamline the ordering process, ultimately leading to a better dining experience.

1 Enter POS using the current drawer's employee's number.

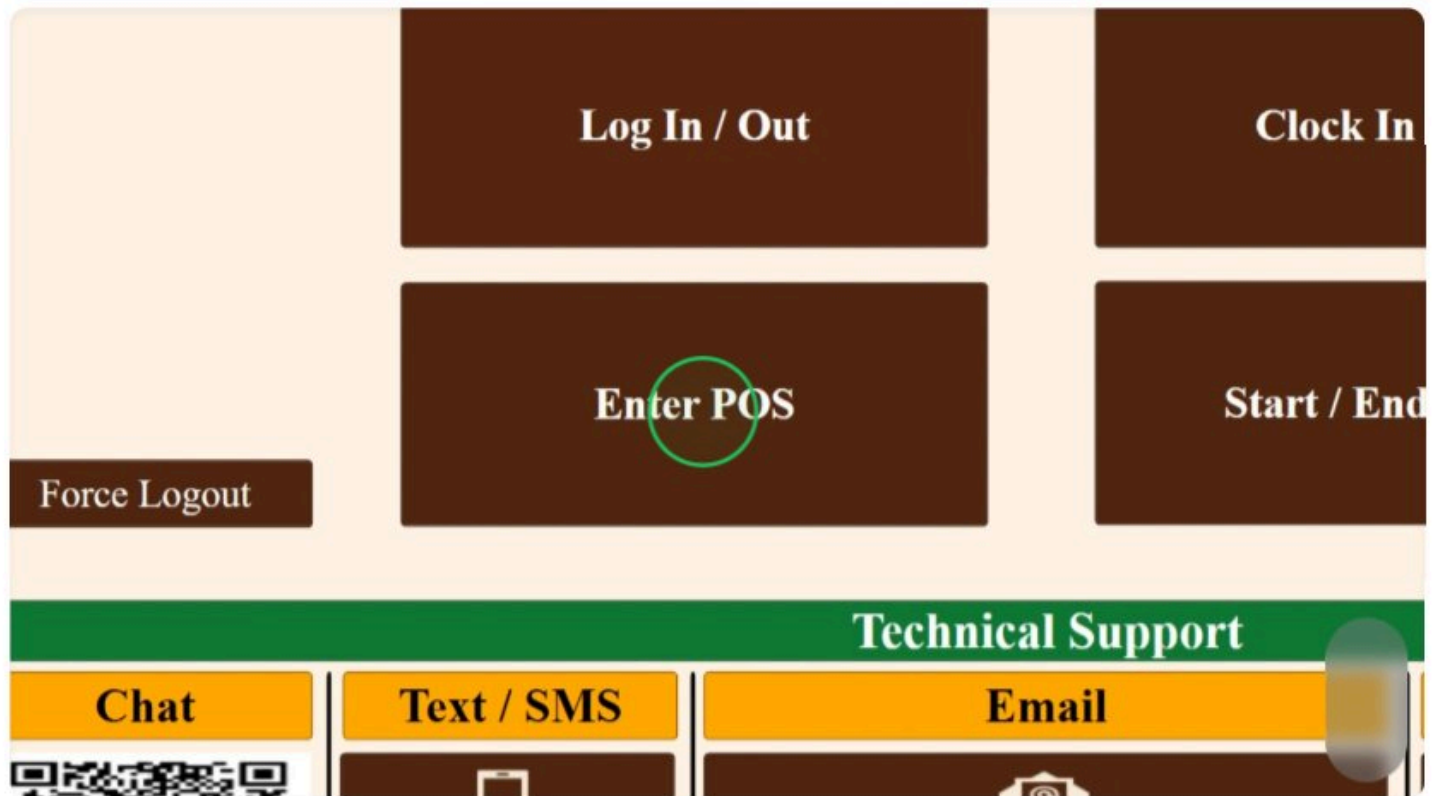

2

Take Out or Eat In.

Enter POS using the current drawer's employee's number.

4

Click "+ New Order"

The screenshot displays a POS system interface for a training session. The background is a red screen with the word "Training" repeated in a large, semi-transparent font. The interface is divided into several sections:

- Top Section:** A pink area containing a subtotal, tax, and total, all set to \$0.00. Below this, the "Balance Due" is also \$0.00.
- Menu Grid (Right Side):** A grid of food items with their respective prices. The items are arranged in rows and columns, with some items having a price of \$0.00.
- Bottom Navigation Bar:** A bar with several buttons: "DELETE", "DUPLICATE", "COUPON LOOKUP", "BK REWAR...", "+ NEW ORDER" (highlighted with a green circle), "SEND / PAY", and "MODIFY".
- Status Bar (Bottom):** A bar at the very bottom showing the user's login information: "04 - DT CS1", "Online", "S.O.15250", and "Currently logged in as Training Cashier".

9

Click the combo meal you want.

10

To change the drink, click the drink from the meal.

The screenshot displays the Burger King mobile app's meal selection interface. At the top, there are navigation tabs for 'BREAKFAST', 'LUNCH', 'WHOPPER', and 'BURGER'. Below these, a 'COMBOS' section is visible. The main area shows a list of meal options. The first option is '1 Lunch Combo' with a price of '\$9.49'. The items listed are 'Impossible Whopper', 'Small Fry', 'Small Drink', and 'Coke'. The 'Small Drink' option is circled in green. To the right of the meal list, there are images of the food items: a Whopper, a Small Fry, and a Small Drink. Below these images, there are buttons for 'HEAVY' and 'LIGHT' options. The bottom of the screen features a red banner with the word 'Training' repeated three times.

12

To change the side, click the side from the meal.

The screenshot displays the Burger King mobile app's meal customization interface. At the top, there are tabs for menu categories: BREAKFAST, LUNCH, WHOPPER, and BURGER. Below these are size selection buttons: UPSIZE and DOWNSIZE. The main menu area shows a 'Lunch Combo' for \$9.49, which includes an Impossible Whopper, Small Fry (circled in green), and Small Drink. To the right, there are icons for Drink, Ice, and Kids Drink. Below these are logos for Coca-Cola, Coke, Sprite, and Dr Pepper. On the far right, a 'COMBOS' section lists various meal options, including Whopper, Impossible Whopper, Bacon King, Cheeseburger, Spicy Crispy Chick, and Crispy Bacon. A magnifying glass icon is visible over the bottom right of the COMBOS section.

To change the build of the sandwich, click the sandwich from the meal.

The screenshot displays the Burger King mobile app's meal build interface. At the top, there are navigation tabs for 'BREAKFAST', 'LUNCH', 'WHOPPER', and 'BURGER'. Below these are buttons for 'UPSIZE' and 'DOWNSIZE'. The main menu is divided into sections: 'COMBOS' (with items #1 to #8), 'SMALL', 'MEDIUM', and 'LARGE' (with 'HEAVY' and 'LIGHT' options). The 'LUNCH' section is currently selected. On the left, a list of items is shown, including '1 Lunch Combo', 'Impossible Whopper' (circled in green), 'Small Onion Rings', 'Zesty Sauce', 'Small Drink', and 'Drink Flavors (1)'. The price '\$9.49' is displayed next to the 'Impossible Whopper'. The right side of the screen shows the 'COMBOS' section with items #1 to #8. A 'Training' watermark is visible across the bottom of the screen.
